PLAINFIELD SWAMPS ACADEMY 16 TO 2

By tching hits in back of errors enabled the Plainfield High school team to awamp the crippled Academy team 16 to 2 on Wednesday afternoon at the Academy campus. The local team was handleapped by the illness of Dyer at short and Randall at catch and the substitutes thrown into the breach at the last minute did the best that could be expected of them. Carpenter, a youngster who has only been out once or twice during the season was thrown in at catch and performed creditably while

for the last two holes to beat Sweetser, missed several shots and took six and five, respectively, for a total of 11.

There were no upsets in the qualifying round, all of the leading players finishing safely inside the champlonship circle. The qualifying scores and the draw for the first round of match play tomorrow include:

Jesse W. Sweetser, Siwanoy, 75-78—153.

Frank M. Dwyer, Upper Montelair, 76-78—154.

R. M. Lewis, Greenwich, 75-79—154.

them. Carpenter, a youngster who has only been out once or twice during the season was thrown in at catch and performed creditably while Strouse at short, another least minute choice, was a trifle off form. In fact, the team as a whole played the poorest game of the season and when the final ball was thrown there were 12 errors chalked up sgainst them. Not only was the fielding ragged but the base running was terrible and the battling was very weak. The only man on the Academy team that showed any signs of life was Dinty Kilroy who pounded out two hits and was credited with four brilliant put outs. Elly Seigal, diminute harber, deserved a better fate for pe pitched a good game but errors in back of him spoiled any chance of his puiling through a winner. Elly was hit by a pitched ball in the eighth inning and was relieved by Fellows who had a hard row to hoe. Johnny however contributed one run to the tally by his hit in the last half of the eighth inning. State of the schowers when he pulled a honer while on the coaching lines.

The Plainfield team played a hard hitting game and would probably have won even if it had not been for the errors made by the local team. Beheault pitched a good game and at no time was in dunger although in the eighth inning he developed a streak of wildness and forced in a run by issuing three passes after a hit, He allowed only 5 hits. He also hit for two bases in the eighth inning. Doughetty led his teammates with the stick getting two singles and a double in five times. The Plainfield team nlayed a run and the promises in the eighth inning. Doughetty led his teammates with the stick getting two singles and a double in five times.
